Living the Life of Enoch Ellen G White

People tell us it is too late to warn of dangers, too late to give the final message to the world, too late to expect others to respond to the pleadings of the Word of God as are presented to them. Oh my friends, it is not too late. We must strive and urge and plead and warn until the very day that probation ends for mankind. We are to live the Enoch life! This is our commission. And this is a twofold work: to develop a character of righteousness by living a life of personal purity and pleading with God and to teach a lesson of godliness by kindly acts and warning and pleading with men.
