Love Letters of Great Men was published to great success in November of 2008. It was a fantastic holiday hit that continued to sell well through Valentine's Day. The demand was fueled by the fictional book's presence in the hit film Sex and the City.

As a companion to Love Letters of Great Men, this anthology gives the other side of the story: the secret hopes and lives of some of the greatest women in history, from writers and artists to politicians and queens. From the private papers of Anne Boleyn and Jane Austen to those of Emily Dickinson and Georgiana, Duchess of Devonshire, Love Letters of Great Women collects together some of the most romantic letters in history.

In an age of cellphones, texts, and twitters, this timeless and unique collection reminds us that none of our new modes of communication can compare to the simple joy of sitting down to read a letter from the person they love most, making this a keepsake both men and women everywhere will want to give and receive.
