They have tried all they could to buy me off from exposing these secrets to the public, so that the rich would keep getting richer and the poor poorer, but I have ignored their prices just to see that everyone enjoys equal and mutual benefits from life. They know that when these secrets of prosperity are exposed, there would be equilibrium between them and you, so they try hard to make sure you do not know what they know so that you wouldn't be able to achieve what they can. They want to end up getting everything and you end up with nothing, they want to make you the one who'd suffer, serve them, call them master and eat from the little that drop off their mouth. But the end to these secrets is now with you.

You can now enjoy your own prosperity, buy the house in the city of your choice for your lovely family, take your kids to the best schools in the world, have holidays whenever, wherever and with whoever you wish, buy the best cars and drive around town with friends, fly in the world's best jets and live the luxury life you've always dreamt of.

This is now your secret code to prosperity.

Remember that even the book you are holding now is your secret weapon. Don't share with friends, keep it all to yourself. You can tell them about it if you want to, because I know you are not that greedy, but they must go and buy for themselves. success is everyone's fight for himself alone!
