Covering a wide range of legal principles and cases, this textbook introduces the reader to legal systems, terminology, databases and the use of case law. Designed to encourage analysis, reflection and the application of examples and ideas from the reader's own experience, the book clearly and comprehensively explains key topics such as:

- negligence and defences against negligence
- manslaughter by individuals and organizations in sport
- principles of natural justice, disciplinary tribunals and doping
- discrimination, harassment and child protection
- risk management, statutory duties, and breaches of health and safety
- criminal liability – recognized sports, hazing, and cage fighting.

Including over 300 exercises, hypothetical scenarios, investigative tasks and seminar activities, this book is an essential course text for all students of sport, recreation and the law, and an invaluable reference for coaches, physical education teachers and those who play, lead or organize sport and physical recreation.
