## **The 1900s: (American Popular Culture Through History)** Bob Batchelor

the so-called quiet decade of 1900-1910 was anything but quiet. Spurred by the energy and progressive attitude of President Theodore Roosevelt and millions of immigrants flooding into our cities, American life saw tremendous cultural and technological change. A healthy economy gave workers more spending money and leisure time to enjoy hobbies, travel, and pastimes, including a new and revolutionary entertainment-the movies.

Providing an exciting picture of American life at the dawn of the 20th century, this volume covers:

- Innovations in technology, such as the airplane and the automobile
- The advent of modern architecture
- The proliferation of advertising aimed at the new middle class
- Fads, games, sports, and hobbies
- Changes in fashion and cuisine

This book also features the burgeoning of the arts, including the school of realism and naturalism in literature, the first truly American music-jazz-and the new performing art that played to American tastes: vaudeville. A wealth of facts, information, and interesting sidelights not available elsewhere makes this a treasure trove for students and interested readers.

### **From reader reviews:**

#### **Brian Crafton:**

As people who live in the modest era should be update about what going on or details even knowledge to make these individuals keep up with the era and that is always change and make progress. Some of you maybe may update themselves by reading books. It is a good choice to suit your needs but the problems coming to you is you don't know what one you should start with. This The 1900s: (American Popular Culture Through History) is our recommendation to help you keep up with the world. Why, since this book serves what you want and want in this era.

#### **Harley Campbell:**

Information is provisions for folks to get better life, information today can get by anyone on everywhere. The information can be a expertise or any news even a concern. What people must be consider when those information which is in the former life are challenging to be find than now's taking seriously which one works to believe or which one the actual resource are convinced. If you have the unstable resource then you buy it as your main information it will have huge disadvantage for you. All those possibilities will not happen within you if you take The 1900s: (American Popular Culture Through History) as your daily resource information.

#### **Marcela Beach:**

Playing with family within a park, coming to see the coastal world or hanging out with good friends is thing that usually you may have done when you have spare time, subsequently why you don't try point that really opposite from that. One activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of information. Even you love The 1900s: (American Popular Culture Through History), it is possible to enjoy both. It is fine combination right, you still would like to miss it? What kind of hang type is it? Oh come on its mind hangout folks. What? Still don't have it, oh come on its called reading friends.

#### **Antonio Ritchie:**

As a scholar exactly feel bored in order to reading. If their teacher asked them to go to the library or even make summary for some e-book, they are complained. Just tiny students that has reading's heart and soul or real their pastime. They just do what the educator want, like asked to go to the library. They go to right now there but nothing reading very seriously. Any students feel that reading through is not important, boring and also can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this The 1900s: (American Popular Culture Through History) can make you sense more interested to read.
