*Sir Arthur Conan Doyle*

**The Lost World (Dover Thrift Editions)** Sir Arthur Conan Doyle

The restless, questing intellect of Sir Arthur Conan Doyle spurred him far beyond the ingenious puzzles he constructed for Sherlock Holmes. In *The Lost World*, Doyle, a devotee of the occult and fantastic tales of adventure and discovery, introduces his readers to Professor Challenger, an eccentric paleontologist, on his suspense-filled search for prehistoric creatures in the wilds of the Amazon. Professor Challenger's doughty troupe includes a skeptical colleague, Professor Summerlee; the cool-headed, plucky sportsman Lord John Roxton; and the narrator, the intrepid reporter Edward Malone. When their bridge to civilization collapses, the explorers find themselves marooned among dinosaurs and savage ape-people.

Originally published in 1912, this imaginative fantasy unfolds with humor and good-natured satirical eye for pedantry. Fans of Arthur Conan Doyle will delight in this rare gem, as will dinosaur fanciers and adventure story aficionados.
