Dogs I Have Met: And The People They Found Ken Foster

Ken Foster knows that a dog can change a person's life. And that several dogs can change even more. For THE DOGS WHO FOUND ME, the author appeared in major media interviews such as NPR's "Fresh Air" with Terry Gross, and received hundreds of letters and stories about other karmic canine rescues. Many of these heartwarming stories are now compiled in this all-new follow-up to the original bestseller. DOGS I HAVE MET introduces us to injured California pit bull Jimmy, among others, as well as to one woman who opened her house to 55 stray dogs. Ken Foster will once again travel the country for interviews and in-store events to promote dog rescue and this all-new national bestseller.
