Mythobiography Lorenzo Neal Buford

These poems: are a continuation of a journey through light and darkness...are Eyed in the Machine
Consciousness...are wounds that haven't healed...are lost spinning rooms of emotional realities...are tears
made flesh...are apocalyptic prophets...are doors to new beginnings...are abortions lamenting for their
mother...are tattoos, sigils of magic that was before man...are strangers who have taken light from me...are
part of a larger entity, a living book that wanders in the in-between places...These poems are warriors on a
battlefield.
