The Handbook of Ethical Research with Ethnocultural Populations and Communities Joseph E. Trimble, Celia B. Fisher

The Handbook of Ethical Research With Ethnocultural Populations and Communities, edited by Joseph E. Trimble and Celia B. Fisher, addresses key questions in the first major work to focus specifically on ethical issues involving work with ethnocultural populations. Filling gaps and questions left unanswered by general rules of scientific conduct such as those embodied in federal regulations and professional codes, this **Handbook** will help guide ethical decision making for social and behavioral science research with multicultural groups for years to come.
