Theories of Counseling and Therapy: An Experiential Approach

Jeffrey A. Kottler, Marilyn J. Montgomery

Theories of Counseling and Therapy: An Experiential Approach Jeffrey A. Kottler, Marilyn J. Montgomery

A concise, hands-on, and experiential text that helps readers understand and apply theory in counseling and psychotherapy

Through a unique approach that makes understanding theories in counseling and psychotherapy fun, stimulating, and personally meaningful, this fully updated Second Edition helps students comprehend the various and complex theories, apply the material to their own lives (through the use of the reflective exercises in every chapter) and internalize the content of the course. The book's three-part structure includes an introductory section that provides the background necessary for understanding the theories, a middle section that discusses the main theory "families," and a final section that focuses on synthesis and application. Throughout the text, the authors seek to surprise readers with the best of the past, excite them with the vitality of the present, and prepare them for their futures as therapists.
