Leadership: 28 Valuable Ways to POWER CHARGE Your Personal Growth and Development by Using a Personal Development Plan. Learn Which Leadership Theory and ... leadership styles, self improvement) *Catrina Franklin*

If you want to power charge your personal growth, and become a leader in the workplace, this is the book for you. You don't have to stick with doing the same of jobs at work every day, there is real potential for something bigger and better.

We all have dreams and we all have goals, both in our personal life and in the workplace. Unfortunately, many people fall into a routine at work, and they often fail to challenge themselves as much as they could. This can mean that those who would make naturally good leaders don't reach their full potential, because they haven't given themselves the right opportunities.

Let this book teach you how to open doors to your new career, by helping you to understand what you need to do.

Full of useful tips and advice, this book teaches you how to:

- Realize what your goals are, and how to achieve them
- Realize what you need to do to get there
- Communicate with people so you can become a leader
- Understand the different types of leadership theories
- Apply the leadership theories to your working life
- Understand how your new goals could affect your personal life
