Leading Curriculum Development Jon W. Wiles

Develop a curriculum that can transform an ordinary school into a school of excellence!

This resource introduces school leaders to dynamic curriculum leadership and a curriculum development process that leads to highly successful school programs. The author demonstrates how administrators can adapt curriculum to meet their school's changing needs, incorporate emerging technologies, and reflect new and creative ways of thinking about education. The book walks educational leaders through the curriculum development process, showing them how to:

- Create a school curriculum team
- Establish a regular curriculum cycle of analysis, design, implementation, and evaluation
- Develop a path for curriculum improvement
