Picturing scenes, events, settings, characters, and ideas is essential to reading comprehension - but not all students know how to do it. In this amazing book, a noted educator shows teachers dozens of engaging, interactive techniques that turn reading into a highly visual, enjoyable experience for proficient and struggling readers alike. Storyboards, main idea tableaux, timelines, picture maps, family trees and other activities enhance skills of inferring, interpreting, and applying what they read. The updated and revised edition is aligned with Common Core State Standards and includes a DVD demonstrating visualization strategies at work in classrooms. For use with Grades 4 & Up.
