For ten thousand years immortal monsters called Daimons have inhabited the Earth. Now at the dawn of the 21st century, they are all but extinct, and when that happens, it will signal the beginning of Armageddon. Their only hope in diverting their future and the reality of the modern world is to convince two teenage lovers to join forces with them. Opposing them are agents of an ancient evil who will do anything to gain the couples' favor for their own sinister desires. Whom will the lovers ally themselves too, or will they simply allow everything on Earth to die by their own hands.
