Culture: The Soul of Africa and the Coming Gold Rush (Volume 1) Dallas L. Browne PhD.

During the “Scramble for Africa” in 1884, when European colonial powers carved up Africa and awarded themselves large colonies, the oloiboni (spiritual leader) named Mbatiany foretold of the Europeans coming to East Africa, “on an iron rhino with strangers of flamingo pink on its back,” as well as a cycle of disaster known as ol maitai.

Journey through Africa’s rich past, thriving present, and promising future with Dr. Dallas L. Browne’s revealing new book, *Culture: The Soul of Africa and Its Gold Rush*.

Divided into three straightforward parts, Browne confidently leads readers on a journey through this dynamic continent to explore the subtle cultural differences that have influenced Africa’s historical rise. Some of these cultures are already making significant contributions to the global economy, proving themselves instrumental to the stratospheric rise that Africa will experience in just a few short decades.

Looking toward the future, Browne demonstrates how Africa’s GDP will soon explode from two trillion dollars to fifty trillion dollars over the next forty years. The ensuing rise of middle-class Africans will forever change the way business is run the world over.
