JOHN HANSON: Our First President Seymour Wemyss Smith

Biography, history. Brown paper boards very nice, light rubbing, corners and spine ends lightly bumped, labels sunned but not chipped. Inscription signed by the author's brother on the first endpaper, otherwise the interior is clean and tight, top edge dusty, pages toned. Scarce biography of the man elected "President of the United States in Congress Assembled" under the Articles of Confederation, eight years before the election of George Washington.
