The Never Series continues with this steamy, emotional thriller.

Ella wakes up to a world turned upside down, recovering both physically and emotionally from attacks she can't remember. Her only memory from the past weeks is a nameless voice that echoes in her mind, causing her heart to ache and her soul to seek "Him".

Living a life without Ella is no life at all and Porter decides to do whatever it takes to remind her of their love. Recognizing Porter without remembering him, Ella reacquaints herself with this gorgeous man, their explosive chemistry, and the possibilities that lie ahead.

As Ella's memories resurface so do demons of the couple's past, testing their strength and love. Porter is determined to fight for their future together but will Ella? As everything and everyone that Ella loves gets threatened, she must find a way to fight the darkness of yesterday so that she can live in the light of tomorrow.

This is book two in a three-book series. The story continues in book three, *Never Giving Up*, available now. For mature readers only. Strong sexual content.
