This Kindle version is complete with illustrations as well as a linked table of contents. Tired of the bad formatting in most of the free Kindle books here in the Amazon Kindle store? We are, too. This public domain book has been checked for spelling errors, strange characters, and has a table of contents you can navigate with on your Kindle. We believe we have the highest quality public domain books as they are checked by an actual human prior to publishing to the Kindle store.

Over 431 million copies of the Official Handbook for Boys have been distributed since this first edition was published in 1911. The original Boy Scout Handbook standardized American scouting and emphasized the virtues and qualifications for scouting, delineating what the American Boy Scouts declared was needed to be a "well-developed, well-informed boy." The book includes information on the organization of scouting, signs and signaling, camping, scouting games, and a description of several scouting honors. Scouts past and present will be fascinated to see how scouting has changed in the ensuing years, and how it has stayed the same.
