Reshaping Australia's Economy: Growth with Equity and Sustainability

Reshaping Australia's Economy: Growth with Equity and Sustainability

This study draws together some of the best economists and public policy analysts in Australia to contribute to a major assessment and "audit" of the economy. It assesses the economy's recent performance in achieving an environment which encourages sustainable economic growth with an equitable income distribution. It pinpoints what is required to ensure growth with socially and environmentally acceptable outcomes for the future.
