*Johann Wolfgang von Goethe*

**The Sorrows of Young Werther (Dover Thrift Editions)** Johann Wolfgang von Goethe

Celebrated as a leading figure of the German literary movement known as *Sturm und Drang* ("storm and stress"), Goethe made his reputation with this short novel, originally published in 1774. Its tale of a sensitive young man's self-destructive passion for a lover who ultimately rejects him was based in part on the author's own experiences, and the story's tragic resolution inspired a wave of suicides among young romantics throughout Europe. Goethe's portrayal of *Zerrissenheit*, "the state of being torn apart," in which a character struggles to reconcile his artistic sensibilities with the demands of the objective world, proved tremendously influential to subsequent writers, and *The Sorrows of Young Werther* continues to speak to modern readers.
