**WHO SAID IT WOULD BE EASY?**

Charisse Ellison is new to her faith, but she's convinced that her relationship with God is the only way to have the truly fulfilling life she desires—one that includes a husband and children.

Tall, muscular, and strikingly handsome, Stefan Cooper is a bachelor who is used to getting what he wants from the opposite sex. So he's intrigued by Charisse's indifference to his charms. The couple begins an intense romance that challenges the bravado Stefan has held on to for most of his adult life and forces Charisse to see that God's answered prayers don't always come packaged the way we expect.

*Who Said It Would Be Easy?* offers hope in situations that at first seem hopeless and shows that through faith in an all-powerful God, even the most painful experiences can culminate in true joy and peace.
