101 Strategies to Invigorate Writing for Students and Teachers Gini Cunningham

Students love to write; teachers learn so much about students, their thinking, and skill level when writing is promoted in the classroom every day. This book offers strategies to help teachers enthusiastically guide student writing without overloading themselves or their students. When students write, teachers know what students know and understand plus they have information to inform the next steps of instruction. It is Win*Win*Win again and again.
