All the Sad Young Literary Men Keith Gessen

A novel of love, sadness, wasted youth, and literary and intellectual ambition-"a wincingly funny debut" (*Vogue*)

Keith Gessen is a brave and trenchant new literary voice. Known as an award-winning translator of Russian and a book reviewer for publications including *The New Yorker* and *The New York Times*, Gessen makes his debut with this critically acclaimed novel, a charming yet scathing portrait of young adulthood at the opening of the twenty-first century. The novel charts the lives of Sam, Mark, and Keith as they overthink their college years, underthink their love lives, and struggle to find a semblance of maturity, responsibility, and even literary fame.
