Fear the Dead 2: A Zombie Horror Novel Series Jack Lewis

Book 2 in the bestselling zombie horror novel series

Kyle Vauss wants to build a safe haven from the horror of the infected. Vasey, the largest survivor town in the North, is the best chance they've got at staying alive.

Being anywhere else post-apocalypse means death. By day the zombie infected roam the streets, and at night the stalkers leave their nests to kill. Nobody knows what they are, or where they're from. But anyone caught outside after dark will find out how dangerous they can be.

A leader has to do dark things to stay alive, black things that leave a stain on their soul. Kyle doesn't know if he has what it takes. He doesn't know if he can lead the survivors out of the dark age. But there isn't just the infected to worry about. There are other things waiting to destroy it all.

A man who claims to have found a cure.

A survivor who is trying to tear the town apart.

A 500,000 strong army of infected headed in their direction.

Praise for the Fear the Dead post apocalyptic zombie novel series from Amazon readers:

'Loved this book. It had everything you want to see in a good apocalyptic story. And it's great to see a British author giving the likes of Mr Kirkman a run for his money. Bring on the next book. Can't wait.'

'Excellent baddies and a realistic depiction of a post-apocalyptic future. Fear the Dead has left me wanting more and I'd love to know what happens next. I would read a sequel in a heartbeat!'

'The author Jack Lewis is the midst of writing what could be one of the classic end of the world zombie tales in years to come, that's if we are not wiped out by a zombie apocalypse.'
