Is There Life after Death?

Elisabeth Kubler-Ross

Is There Life after Death? Elisabeth Kubler-Ross

In 1969, Dr. Elisabeth K'bler-Ross changed the way we think about the fi nal stage of our lives with her revolutionary book, *On Death and Dying*. Now, in this landmark recording, this revered researcher speaks about her largely private revelations, observations, and conclusions on life after death. Dr. K'bler-Ross, the first scientist to embark upon a genuine inquiry on the similarities between near-death experiences of people all over the world, gathered empirical data and personal impressions from countless studies that informed her opinions on what awaits us all when we leave this life. From her family archives comes a rare published audio of this trailblazing author speaking in her own words, as she engages the oldest question of all: Is There Life After Death?
