Inspiring, True Tales of Interspecies Adoption

One Big Happy Family tells the heartwarming stories of a different kind of animal rescue: amazing animals who have reached out to save the lives of newborns from other species and raise them as their own. Each story features wonderful photos of these cute animals, whether it's of the border collie and his piglets, the cat and her ducklings, the orangutan and his lion cubs, or even the Labrador and her baby pygmy hippo, these are poignant, charming true stories of unlikely animal friends -- including a surprising range of dog breeds -- who have felt the parental instinct and cared for animal babies of every stripe.

Lisa Rogak's *One Big Happy Family* celebrates the intimacy and emotional connections of parenthood and the miracle of interspecies animal adoption. Filled with adorable animal photos featuring these newborns and their foster moms and dads, this uplifting collection of true tales of animal behavior and cute animal pictures will astonish readers everywhere and is perfect for the animal lover on your list.
