Claire Barclay has returned to the home in Scotland where she spent her teenage years. After the sudden death of her mother, Claire is concerned about the welfare of her much-loved and now frail stepfather, Leo. But his own grown children seem more concerned about preserving their financial assets than their father's health. Claire is desperately trying to avoid Jonas, the love of her life who broke her heart at just 18, but he's asking her to trust him again, on a matter of all urgency. Can she forget the past and put her faith in someone who once hurt her so deeply?
