# What in the World is Going On?: 10 Prophetic Clues You Cannot Afford to Ignore

David Jeremiah

**What in the World is Going On?: 10 Prophetic Clues You Cannot Afford to Ignore** David Jeremiah

*“A clear, compelling primer on God’s heart for Israel and the dramatic Bible prophecies that will unfold in these last days. What I loved most is that David Jeremiah unashamedly examines and explains the biggest global trends of our day through the Third Lens of Scripture. And his description of Jesus’ unconditional love and compassion for Jews and Muslims is alone worth the read!”*

**Joel C. Rosenberg**, *New York Times* best-selling author, *The Last Jihad and Epicenter: Why the Current Rumbblings in the Middle East Will Change Your World*

*“This well researched and brilliantly written book is so fascinating you can hardly put it down. It has much to offer any reader interested in what is going on in our world and ties current events to important biblical prophecies. You will be convinced by reading this book that we are on the verge of the greatest event in human history. Everyone, both inside and outside the church, should read it!”*

**Tim LaHaye**, Popular author, recognized prophecy scholar, and creator of the *New York Times* best-selling *Left Behind®* series.

The Bible has plenty to say about end times. But until now, there has been no other book that in straightforward prose that’s easy to understand gathers ten scriptural prophecies, lays out a chronological checklist, and offers a guideline for sorting it all out. In *What in the World Is Going On?* Dr. David Jeremiah answers the hard questions, including these: "How is prophecy playing out in modern Europe?" "Why does Israel matter?" "How are oil reserves and Islamic terrorism related?" "Does the United States play a role in prophecy?" "How should we live in the end times?"

Events unfolding in today’s world are certainly unsettling, but they need not be confusing or frightening. Now you can know the meaning behind what you see in the daily news and understand what in the world is going on!
