*Workbook for Introductory Medical-Surgical Nursing, 11e* is the perfect companion to the textbook. It allows the student to review and apply essential content to help retain the knowledge gained from the textbook. Each chapter of the workbook is divided into three sections: Assessing Your Understanding, Applying Your Knowledge, and Getting Ready for NCLEX. New to this edition, is the inclusion of a case study in each unit with related critical thinking questions designed to help students understand and apply information to a real client situation.
