He couldn't move on until her killer was found

For five friends, summers on a British Columbian island revolved around the beautiful Simone DeRosier. A talented singer, Simone was destined for stardom. Years later when she made it big, she immortalized her friends in a hit song just before her unexpected death.

Harrison Kincaid, Simone's husband, was one of those friends. After Simone's apparent suicide, a devastated Harrison left the island, and left the care of his home to real-estate agent Justine Melbourne. Now strange occurrences in the house have brought Harrison back . . . and into Justine's life.

But Harrison has reason to believe that Simone's death was murder, and he won't let anything -- not even another chance at love -- stand in the way of finding the murderer.
