## COMPREHENDING COINCIDENCE: SYNCHRONICITY & PERSONAL TRANSFORMATION CRAIG BELL

In our daily lives, coincidences occur that grip us or catch us off-guard; and if we are open to their messages, we can use them to direct us on our path in life. Craig Bell provides unique and practical ways to use coincidence for personal transformation. His anecdotes reveal the profound lessons he has learned in his innovative search for meaning in everyday events.

Coincidences and dreams bear marked similarities, the most important of which is that the content of both may be symbolic. Bells offers a few reliable rules that bring symbol analysis within the reach of almost everyone. Incorporating elements of psychology, spirituality, and metaphysics, the author synthesizes Western quantum physics and Eastern metaphysics to explain how our psychological world may structure itself to provide meaningful coincidences.
