Richard Carrier, Ph.D., philosopher, historian, blogger, has published a number of papers in the field of ancient history and biblical studies. He has also written several books and chapters on diverse subjects, and has been blogging and speaking since 2006. He is known the world over for all the above. But here, together for the first time, are all of Dr. Carrier's peer reviewed academic journal articles in history through the year 2013, collected with his best magazine articles, research papers and blog posts on the same subjects. Many have been uniquely revised for this publication. Others are inaccessible except through libraries or paywalls. Twenty chapters include his seminal papers on the scandal of Hitler's *Table Talk*, the Jerry Vardaman microletter farce, and the testimonies to Christ in Josephus, Tacitus, and Thallus, as well as Carrier's journalistic foray into ancient pyramid quackery, his work on the historical & textual errancy of the bible, and more.
