Lilith - the First Eve

Siegmund Hurwitz

Lilith - the First Eve Siegmund Hurwitz

In a fascinating excursion through the history of her myth, Siegmund Hurwitz presents and interprets the ancient dark-winged goddess Lilith, also known as "the first Eve". The author's extraordinary meticulous study of the original sources brings to light a striking figure long lost from our awareness, yet highly relevant to a psychological understanding of today's evolving masculine and feminine identities. Case material from his analytical practice imbeds Lilith in the everyday problems of contemporary life. That an unbridled life-urge which refuses to be assimilated lies behind depression...seems to me to be a new and important discovery. By combining the experience of a contemporary man with this historical material, Siegmund Hurwitz sheds new light on both. - From the Foreword by Marie-Louise von Franz
