Problem-Solving Strategy Guide, Volume I for Stice/Stice's Intermediate Accounting, 16th James D. Stice, Earl K. Stice

Prepared by Al Case, Southern Oregon University, this new comprehensive workbook focuses on tips and strategies to help students solve problems from the textbook. Each chapter contains an overview, a summary of How and Why things to consider from the text learning objectives, and a multitude of multiple-choice exercises and problems with following rationale and full step-by-step explanations of the answers. Going beyond normal study guides, the author has written this student resource in a conversational tone in an effort to guide students through a thorough understanding of some of the overly complex subject matter in the course.
