Urban Social Geography: An Introduction Paul Knox, Steven Pinch

The 6th edition of this highly respected text builds upon the successful structure, engaging writing style and clear presentation of previous editions. Examining urban social geography from a theoretical and historical perspective, it also explores how it has developed into the modern day. Taking account of recent critical work, whilst simultaneously presenting well established approaches to the subject, it ensures students are well-informed about all the issues. The result is a topical book that is clear and accessible for students
