Angel Medicine: How to Heal the Body and Mind with the Help of the Angels Doreen Virtue

While researching her book *Angel Medicine*, **Doreen Virtue** uncovered methods used in the ancient healing temples of Atlantis. She began taking her audience members through a meditation so that they could experience a vicarious trip to an Atlantean healing temple. The results were so powerful that audiences began asking her to record the meditation.

The *Angel Medicine* CD is a deep-clearing meditation, designed to release stored emotional pain. Working with the archangels, you'll be able to cut etheric cords to painful relationships, release past-life traumas and troublesome vows of poverty or suffering, open your chakras with the help of the Atlantean crystal healing bed, and increase your desire to exercise and eat healthfully. Beautiful music by Angel Earth evokes the sounds of angelic healing.

These meditations are discussed in the book *Angel Medicine*, and it is highly recommended that readers use this CD as an accompaniment to that work.
