CRYSTAL SINGER

Young and beautiful, Killashandra Ree was a trained musician with no prospects . . . until she heard of the mysterious Heptite Guild on the planet Ballybran, where the fabled Black Crystal was found. For those qualified, the Guild was said to provide careers, security, and the chance for unimaginable wealth. But once you'd sung crystal, there was no going back . . .

KILLASHANDRA

Killashandra's first season on Ballybran was everything she had hoped for: She had sung Black Crystal, grown wealthy, and met a man who could make her forget her own sorrowful past. But then, a year later, everything had changed. She was broke, she had crystal sickness so bad she thought she'd die, and the only way she could be true to the man she loved was to leave him. . . .

CRYSTAL LINE

Crystal singing changed the singer forever, bringing ecstasy and pain, near-eternal life . . . and gradual loss of memory. Killashandra had a lot of painful memories she could afford to lose. What she hadn't counted on was the loneliness she felt when her heart still remembered what her mind had forgotten. Then she found she might have a chance to salvage what was left of her mind. But to do that, she would have to learn to open herself--to another person, and to her own unhappy past . . .
