In the bestselling vein of Jeanette Walls and Frank McCourt, the award-winning author delivers her addicting breakout novel - a mesmerizing page-turning memoir epic that is quickly becoming a classic.

Set in transient 1970s Las Vegas, OVERLAY is the fighting-to-come-of-age story of a resilient child born into a cycle of alcoholism and abandonment. The author develops a powerful sense of self-preservation in contrast to the fallen adults entrusted with her care. Her profound story explores the characters and events populating her life as she moves from home to home, parent to parent, family to family, ultimately becoming homeless at the age of fourteen.

Out of the resources of her remarkable childhood emerges an inner strength that will charm and captivate readers and remain in their consciousness long after the last page of her story has been turned.

The Glass Castle meets Angela's Ashes meets The Liars' Club in this enlightening tale that has it all: a heartbreaking story, troubled characters, and redemption, making OVERLAY the ultimate memoir of our time.
