## *Book 7: Pillars of Creation*

Tormented her entire life by inhuman voices, a young woman named Lauren seeks to end her intolerable agony. She at last discovers a way to silence the voices. For everyone else, the torment is about to begin.

With winter descending and the paralyzing dread of an army of annihilation occupying their homeland, Richard Rahl and his wife Kahlan must venture deep into a strange and desolate land. Their quest turns to terror when they find themselves the helpless prey of a tireless hunter.

Meanwhile, Lauren finds herself drawn into the center of a struggle for conquest and revenge. Worse yet, she finds her will seized by forces more abhorrent than anything she ever envisioned. Only then does she come to realize that the voices were real.

Staggered by loss and increasingly isolated, Richard and Kahlan must stop the relentless, unearthly threat that has come out of the darkest night of the human soul. To do so, Richard will be called upon to face the demons stalking among the Pillars of Creation.

## *Book 8: Naked Empire*

Richard has been poisoned. Saving an empire from annihilation is the price of the antidote. With the shadow of death looming near, the empire crumbling before the invading hordes, and time running out, Richard is offered not only his own life but the salvation of a people, in exchange for delivering his wife, Kahlan, into bondage to the enemy.

## *Book 9: Chainfire*

After being gravely injured in battle, Richard awakes to discover Kahlan missing. To his disbelief, no one remembers the woman he is frantically trying to find. Worse, no one believes that she really exists, or that he was ever married. Alone as never before, he must find the woman he loves more than life itself...if she is even still alive. If she was ever even real.
