The Days of Noah: Book One: Conspiracy (Volume 1) Mark Goodwin

Is there a secret cabal working to collapse the international economy in order to usher in a global government and one-world currency? Noah Parker, like many in the United States, has been asleep at the wheel. During his complacency, the founding precepts of America have been slowly, systematically destroyed by a conspiracy that dates back hundreds of years. The signs can no longer be ignored and Noah is forced to prepare for the cataclysmic period of financial and political upheaval ahead. Watch through the eyes of Noah as the world descends into chaos, a global empire takes shape, ancient writings are fulfilled and the last days fall upon the once great, United States of America. The Days of Noah, Book One: Conspiracy, by Mark Goodwin is a fast paced fiction thriller which looks at how modern conspiracies can play into Biblical prophecy concerning the end times.
