God's Ghostbusters: Vampires? Ghosts? Aliens? Werewolves? Creatures of the Night Beware!

God's Ghostbusters: Vampires? Ghosts? Aliens? Werewolves? Creatures of the Night Beware!

Recently some 300 exorcists flocked to Poland for a week-long congress to examine the current fashion for vampirism the world-over and the apparent connection between this fascination and a surge in demonic possession. This comes as the world is experiencing an explosion of ancient occultism combined with wicked fascination for ghosts and all things paranormal. In the United States alone, there are now more than two hundred thousand registered witches and as many as 8 million unregistered practitioners of the craft. On college and high school campuses, vampires, werewolves, and other creatures of the night are esteemed as objects of desire and idolized by young men and women who view them as cult icons of envious mystical power. Church goers are enchanted by the darkness as well. An April 13, 2011 article *Mysticism Infecting Nazarene Beliefs* was preceded only a few days before by a Telegraph article describing how a surge in Satanism inside the church has sparked a rise in demand for exorcists within traditional religious settings. Why is this happening now? *God's Ghostbusters* provides shocking answers in this collaborative work by Gary Bates, Chuck Missler, Gary Stearman, Thomas Horn, Nita Horn, Russ Dizdar, Donna Howell, Derek Gilbert, Sharon Gilbert, Michael Hoggard, Noah Hutchings, Terry James, John McTernan, Jeff Patty, Fred DeRuvo, and Douglas Woodward.
