Giving the evidence to Mr. Orlando, she waits to see what can be done, but as time passes her husband is found dead. Soon she is fueled by anger, and she is seeking vengeance for the man she lost – the man she loves.

At long last, everything seems to be going Orlando's way. Those who had used Carlisle Castro to cover up were finally punished for their crimes.

A short while later, young Meghan Malone is abducted from her apartment. No one knows how much time she has left before her captors get what they want.

Attempting to find out the truth when there are only secrets is a difficult and dangerous task for PI David Orlando. He is working alone this time, attempting to solve the abduction mystery, find the missing person and clear the names of those wrongly accused.

David's partner Emily Awret is working on her own to solve the case of the abduction of her godson, and her emotions are running rampant... for more than one reason.

Will David and Emily succeed in finding the missing persons and solve the abduction mysteries? Are they willing to pay the price for their decisions? Who can they really trust?
