In addition, **you may need a CourseID**, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

Packages

Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase.

Used or rental books

If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code.

Access codes

Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.

Provides the Most Student Support

Mastering the World of Psychology, 5/e, provides students with more support than ever before, thanks to the Survey, Question, Read, Recite, and Review Learning Method, or SQ3R, which is integrated throughout the text. SQ3R shows students the relationship between psychological theory and learning. It is the strongest and most comprehensive program for measuring progress and attaining successful outcomes in Introductory Psychology.

MyPsychLab is an integral part of the Wood/Wood/Boyd program. Engaging activities and assessments provide a teaching and learning system that measures students' success. With MyPsychLab, students can watch videos on psychological research and applications, participate in virtual classic experiments, and develop critical thinking skills through writing.

This title is available in a variety of formats – digital and print. Pearson offers its titles on the devices students love through Pearson's MyLab products, CourseSmart, Amazon, and more. To learn more about pricing options and customization, click the Choices tab.
