*****New Release*** NIGHT CRIES** by *New York Times* bestselling author, Carol Davis Luce.

"Night Stalker -- a dandy read -- tense, original...Add Carol Davis Luce to your list of writers not to be overlooked." -- Tony Hillerman author of *Talking God*

Things were looking up for Alexandra Carlson. She had finally gotten her life back together again. She'd moved into a wonderful secluded house on a mountainside in Reno, her paintings were beginning to sell, and there was even a hint of romance on the horizon. Then things began to happen. Little things. Anonymous phone calls full of heavy breathing. A broken tree branch outside her bedroom window. Her cat, Winnie-- gone without a trace. A moving shadow above the skylight. Surely it was all her imagination...

Then one day she picked up the phone and there was somebody--somebody who knew her childhood nickname. In the background she could hear a scratchy record--an old song that brought dark memories out of the shadows.

That night something woke Alexandra out of a sound sleep. This time, the heavy breathing wasn't coming from the telephone. Someone was in house with her. And she was at his mercy.

RAVE REVIEWS "Night Stalker" is a spine-tingling thriller with Alex and Justin's steamy relationship adding spice to the electrifying plot. Tops in thrilling suspense.

DROOD REVIEW "Night Stalker" From the first page to the last, there is no escape for the reader--this book must be completed before any peace of mind can return; tension increases rapidly. Gripping!
