It is said that love is one of the greatest challenges someone can face. This became true for Becky and her childhood friend, Chris. Chris was a charming, caring but as well as a handsome guy who with just his smile could warm someone's heart. Becky is an innocent girl, who listened to every order her father gave her.

Chris and Becky grew up with each other and formed an unbreakable bond. That same bond put Chris and Becky's friendship to the test when their college lives ended. The two had to part ways and spend years without each other. It was like putting a wood block between two magnets, they were so close but still could not be with each other.

The story is about the challenges faced by Becky and Chris who are in love and the beautiful ways in which they fought against all odds.

It is about true love.

It is about Becky and Chris.
