# Thrown Under the Omnibus: A Reader

P. J. O'Rourke

## **Thrown Under the Omnibus: A Reader** P. J. O'Rourke

P.J. O'Rourke has had a prolific career as one of America's most celebrated humorists. But that career almost didn't happen. As he tells it, "I began to write for pay in the spring of 1970. To tell the truth I didn't even mean to be a writer, I meant to be a race car driver, but I didn't have a race car."

Fortunately for us, he had to settle for writing. From his early pieces for the *National Lampoon*, through his classic reporting as *Rolling Stone's* International Affairs editor in the 80s and 90s, and his brilliant, inimitable political journalism and analysis, P.J. has been entertaining and provoking readers with high octane prose, a gonzo Republican attitude and a rare ability to make you laugh out loud. Chris Buckley once described his work as "S.J. Perlman on acid" and when Penguin first published its *Dictionary of Modern Humorous Quotations* PJ had more entries than any living writer.

For the first time *Thrown Under the Omnibus* brings together his funniest, most outrageous, most controversial and most loved pieces in the definitive P.J. reader. Handpicked and introduced by the humorist himself, *Thrown Under the Omnibus* is the essential P.J. O'Rourke anthology.

Like Thrown Under the Omnibus: A Reader which is finding the e-book version. So , why not try out this book? Let's notice.

#### **Justin Belz:**

As a university student exactly feel bored to be able to reading. If their teacher inquired them to go to the library or to make summary for some e-book, they are complained. Just very little students that has reading's heart and soul or real their passion. They just do what the professor want, like asked to go to the library. They go to generally there but nothing reading critically. Any students feel that reading is not important, boring and can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this period, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this Thrown Under the Omnibus: A Reader can make you feel more interested to read.
