Dream New Dreams: Reimagining My Life After Loss Jai Pausch

Now in paperback, a remarkably frank, deeply moving, and inspiring memoir by Jai Pausch, whose husband, Randy, wrote the bestseller *The Last Lecture* while battling pancreatic cancer.

"Jai is such a giver that she often forgets to take care of herself," Randy Pausch wrote about his wife. "Jai knows that she'll have to give herself permission to make herself a priority."

In *Dream New Dreams*, Jai Pausch shares her own story for the first time: her emotional journey from wife and mother to full-time caregiver; and then to widow and single parent, fighting to preserve a sense of stability for her family while coping with her own grief, and running a household without a partner. Jai paints a vivid, honest portrait of a vital, challenging relationship between two strong people who faced a grim prognosis and the self-sacrificing decisions it often required. As she faced life without the husband she called her "magic man," Jai learned to make herself a priority to create a new life of hope and happiness--as she puts it, to "feel a spark of my own magic beginning to flicker."

Dream New Dreams is a powerful story of grief, healing, and newfound independence. With advice artfully woven into an intimate, beautifully written narrative, Jai's story inspires the readers who made *The Last Lecture* a bestseller, as well as those embarking on a journey of loss and renewal themselves.
