## **How to Take Over the World! (of Monopoly)** Daniel Bergmann

This book will teach you how to: (1.) Take control of the board by preventing opponents from obtaining monopolies while acquiring your own. (2.) Increase the amount of cash at your disposal. (3.) Become sneakier and harder to play against while identifying weaknesses in your opponents. (4.) Invest in properties that can do the greatest damage to your opponents with the least cost to you. (5.) Trade to leave opponents deep in debt with monopolies they can't afford while securing your own position.

The 18 strategies in this book were created to hunt down and eliminate luck from your game as much as possible, and to allow you to win as close to 100% of the time as the dice will allow. They are easy to find. Each chapter is itself about only one strategy. A description of each strategy is written clearly and briefly in one sentence in bold print near the beginning of each chapter so that each one is defined and easily remembered. Each description is also written in a strategy list at the end of the book so that you can easily review all of the strategies in one place.

This book was written to be reasonably short at 136 pages, easy to understand, and fun to read.

Should you purchase a copy, please post a review.
