**One Voice: Music and Stories in the Classroom** Barbara M Britsch, Amy Dennison

Enhance student appreciation of music and literature while building listening (i.e., reflecting and analyzing), composition, and performing skills. After experiencing a variety of songs, child-centered art, and stories, students explore elements of each (e.g., rhythm, repetition, theme) and compose and perform their own dramatic and musical productions. Music and story bibliographies, directions for making simple musical instruments, and more accompany practical suggestions for your classroom.
