Paris Hilton: The Naked Truth George Mair

This is a no-holds-barred look at the hotel heiress, reality TV star, and rampant party girl. Known to tabloids as "Paris the Heiress," The twenty-three-year-old became famous at a young age for being a rich, spoiled socialite who never met a party-or a man-she didn't like. She developed a small career as a model and actress, but her real claim to fame is the racy sex tape she made with a former boyfriend, which was recently released and has made her career-and her notoriety-skyrocket.
